

# FREE HEALTHCARE!

Check-ups, screenings and many common prescriptions are available at little to no cost to families on the HRA or HSA health plan.

## On Oct. 1, CareATC Wellness Center is expanding for your family!

CareATC is expanding services to provide free to low-cost, confidential and quality care for GE Appliances employees, spouses and dependents over age 2 on the HRA or HSA health plan beginning October 1, 2024.

Now your family can receive care with minimal wait time. From annual physicals to an unexpected illness, the CareATC Wellness Center is available when you need it at little or no cost to you and your family.

- Full-service, non-emergency primary and preventive care
- Total confidentiality
- Minimal appointment lead time
- Less waiting room time
- More time with your doctor
- Little to no out-of-pocket costs for checkups, screenings and many common prescriptions for HRA or HSA plan members.
